The championship golf course is completely reinvigorated in advance of its hosting the prestigious Johnnie Walker Classic. Based on the success of that event, Ta Shee has since drawn the BMW Asian Open and can claim hosting duties on the European, Asian, and Australian pro circuits.

RTJ II met these challenges by reworking lakes and hazards to enhance strategic elements of play, adding new bunkers and removing some that were pre-existing, and reinventing the green complexes. To address maintenance

issues we laid down 40,000 linear meters of drain tile throughout the golf course, covered the playing surfaces in 8-10 inches of sand veneer to aid drainage, and regrassed with Tifway 419 Bermuda grass. After golf time, transfer back to hotel. Rest of day free at own leisure. Overnight in Taipei.
